COMMON QUESTIONS

WHERE DO I RETURN MY VEHICLE?

The Cadillac dealership where you leased your vehicle is best qualified to help you with the return process. If you have moved a significant distance, you can return the vehicle at any participating dealership. You can contact GM Financial if you need assistance locating a participating dealership.

WHEN DO I RECEIVE MY SECURITY DEPOSIT?

If your lease agreement includes a security deposit, it will be returned to you, less any remaining amounts owed under your lease agreement, within 60 days of turning in your leased vehicle.

WHAT CHARGES CAN I EXPECT AFTER VEHICLE RETURN?

You'll receive an invoice that may include amounts still due on the lease account, excess wear, excess mileage charges, disposition fee¹ and other applicable taxes and charges. See your lease agreement for details, so you know what to expect. If taxes, citations, tolls or other charges are received after your lease-end invoice has been sent, an additional invoice will be issued.

¹As stated in your lease contract, you may be charged a disposition fee of up to \$595, which prepares your vehicle for resale. This may be waived if you buy or lease another new GM vehicle or exercise the purchase option of your lease agreement. Talk to your dealer about your options.

HOW CAN I OBTAIN A PURCHASE OPTION PRICE?

To obtain a purchase option price, contact GM Financial using the channels listed below. Please have your account number, Social Security number or vehicle identification number (VIN) available to help us quickly locate your account. You can also contact the Cadillac dealership where you leased your vehicle for assistance.

HOW DO I CONTACT GM FINANCIAL?

You can also text² LEASEEND to 53721. During support hours, call 1-800-284-2271.

²There is no charge from GM Financial, but message and data rates may apply.

OPTION

RETURN YOUR VEHICLE

3

If you're not ready for a new vehicle, you can return it to your Cadillac dealership.

- Make sure you're aware of any excess wear and use by scheduling a complimentary pre-return inspection.
- Schedule an appointment with your Cadillac dealership to arrange a return date.
- Be on the lookout for a lease-end liability invoice 60-90 days after vehicle turn-in. This letter will include any amounts still due on the account. See page 3 for more details on charges.

4 MONTHS

KNOW WHAT TO EXPECT

Schedule a pre-return inspection within 120 days of lease end for a report on wear and use and how that can affect amounts owed at lease end. See pages 6-9 for more details on wear and use.

SELF-INSPECTION

Know what to expect by using the Wear-and-Use Card that's inserted in the back of this guide. Find tips and more information at gmfinancial.com/LeaseEnd.

COMPLIMENTARY PRE-RETURN INSPECTION

It's time to schedule your pre-return inspection. You can schedule this inspection at your dealership or at home or work for your convenience by visiting AutoVINLive.com. You can also contact us through MyAccount, text² LEASEEND to 53721 or call us at 1-800-284-2271.

A pre-return inspection can help you identify what repairs might need to be made before you turn in your vehicle to avoid potential fees. However, some lease-end fees may still apply. Refer to your contract for more information.

REPAIRS AND MAINTENANCE

Before you turn in your vehicle, you may want to make repairs related to excess wear and any outstanding recalls. Once your repairs are completed and before turning in your vehicle, email or fax all repair receipts to us so a credit can be applied to your account. If you elect not to make any necessary repairs, any outstanding charges will be billed to your account.
